## SOPHOMORES "GO-FER-IT"

Every year during Homecoming each class builds a float featuring the Maroons' attack on the opposing team. This year the sophomores won first-place with the theme "Go-Fer It," Second place went to the juniors with "Slaughter 'Em." Freshman took third

## Judges vote Sophomores best!

Mr. Bolser, Mr. Rashkow, Mrs. Maner, and Mrs. Stites judged the floats entered in the Homecoming Parade.

CCHS students had spent nearly every night during the preceding week building frames and folding and stuffing pomps. In fact, a couple of floats were completed only minutes before the parade started its trek down Center Street. The sun shone, the fans smiled, and the excited children darted between floats to gather candies thrown by students riding in pick-up trucks. When the parade was over, the judges voted the sophomore float, "Go fer it," as the best entry.

On October 11, the Student Council sponsored a Homecoming dance from 8:00 to 11:00 p.m. in the commons.

Music was provided by "Wild Rose" from Champaign. Everyone at the dance enjoyed the vocalist who sang all the old, but popular songs. The band also dedicated "Take It to the Limit," by the Eagles, to the Homecoming queen and queen candidates.

## The crazy senior meetings

This is a classic example of how a senior class meeting is conducted. As you can tell the upperclassmen of C.C.H.S. are having a tough time making decisions. Obviously great minds are at work!

## Student Council sponsors Christmas dance

The annual Student Council Christmas Dance was held on Saturday, December 6. "Magic Company," the band contracted for the evening, played its renditions of "Surrender," "Wonderful Tonight," "Wango Tango," and "Cat Scratch Fever." Approximately 200 students celebrated the approaching holidays by attending this gala event.

### SWEETHEART DANCE 1981

The annual Sweetheart Dance was held February 7, 1981, in the commons and, as always, was sponsored by the Future Homemakers Of America. The theme of the dance was "Always and Forever," with music provided by Touché. The decorations consisted of a winter theme with a Valentine's Day influence of red heart accents. The traditional sweetheart coronation was held at 9 p.m. in the auditorium. All class sweethearts were chosen and the honorary sweethearts, Maria Escobar and Merja Ingberg, were presented; and last but not least the 1981 F.H.A. sweetheart, Diana Tomes, was crowned by past queen, Connie Pister. Allison and Greg Henry served as flower girl and crown bearer, and David Milton was pianist.

Front Row: Greg Henry, Allison Henry. Back Row: Bob Hawes, Dawn Andrews, Byron Melton, Angie Martinek, Eric Burito, Maria Escobar, Scott Covey, Diana Tomes, Merja Ingberg, David Cisco, Teri Staton and guest, Cassy Hays, and Brian McFeeters.

The Thespians selected *The Miracle Worker* and *Bye Bye Birdie* for their fall and spring productions. *The Miracle Worker*, a three act play, presented on November 14 and 15, 1980, was directed by D. Ann Jones and student director, Ann Clewett. Leads were played by Darcy Eikenberg as Annie Sullivan and Pam Wood as Helen Keller.

On April 3,4,5, 1981, *Bye Bye Birdie*, a two act play directed by D. Ann Jones and student director, Darcy Eikenberg, brought back "The Fabulous Fifties." Leads were played by Darrel Hamblen as Albert Peterson, Brenda Ely as Rosie Alvers, Doug Baker as Conrad Birdie, and Kristy Thomas as Kim MacFee.

The cast and crews of both shows were exceptional. An audience of over 2,000 enjoyed these productions.

*Prom Court—Kent Volker, Robbie Shannon, John Hickman, Roger Clark, Amy Thompson, Tammie Torbert, Paula Gregory, Dodie Junkert.*

The 1980-81 Junior-Senior Prom was held on May 16 in the high school commons. "We've Got Tonight" was the theme chosen by the junior class. The entry way was decorated like a patio with plants and fences. In the commons, stars hung from the ceiling and walls giving the impression of a romance-filled evening. Music was provided by Freedom. Roger Clark and Amy Thompson were chosen King and Queen.

Plans for the AFTER PROM were pretty much unplanned. Juniors, seniors, and their guests played volleyball, shot baskets, or just sat around and relaxed.

*These feet won't make it another step.*

## SLIP SLIDING AWAY

On May 26, thirty seniors and three chaperones left for Six Flags at 7:30 a.m. During the three hour drive the rain began to fall, and hopes for a successful trip were dampened with every drop; but just as quickly as it had begun, the rain let up and made the weather more enjoyable. The group reached their destination at 10:30 a.m. The students broke up into groups and toured the park, stood in lines, ate, played games, and won prizes. "How many baskets does it *really* take to win a prize, Mr. Blessing?" At 7:30 p.m. everyone was finally on the bus, and the tired group arrived home at 10:00 p.m.

*Looks like a jump ball!*

This year's varsity football squad tried to catch up through a year-round weight lifting program. Although this does not show in the scores, the team feels that they made progress this football season. Brian Fatheree was voted most valuable player. The three honorary captains were John Hickman, Doug Sturgeon, and Don Nixon. Nixon and Fatheree made All Conference. Mr. Douglas says that the returning lettermen are dedicated and will improve even more next year.

## Sophomores finish 1-7

The sophomore team was made up largely of freshmen. In fact, there were only ten sophomores. Team captains were Von Bandy and Joe Daugherty. Coach Huber and Coach Veith feel that the team could have done better this past season. They say that a team needs confidence, strength, and desire to win. Both feel, however, that the players received valuable experience.

## Freshmen look promising for '81 season

The freshman football team finished 0-7 for the season. Both Coach Urban and Coach Schultz know that this record is hardly indicative of this squad's potential. "The freshmen, barring injuries and no-shows will be the nucleus of a winning future in Clinton football," predicts Coach Urban. With this thought in mind, the autumn season for the Maroons may mean more than beautiful leaves.

Front Row: Michelle Juliuson, Ann Clewett, Mindy Underwood, Dorothy Jackson, Doris Jackson, Robin Reid, Tonya Spencer. Back Row: Coach Debbie McFeeters, Katy Scott, Connie Baker, Pam Fry, Tammie Torbert, Hazel Johnson, Denise Torbert, Cindy Bush, Paige Wagner, Treassa Torbert, Kelly Koget, Coach Connie Mahoney.

The Varsity record was 7-20; they defeated Maroa twice, Central Catholic twice, Metamora twice, and Wapella once.

The Junior Varsity record was 11-9; they defeated Chatham once, Monticello, Eureka, and Olympia twice, Maroa, Central Catholic, Pontiac, Wapella, U-High, and Lakeview. Most Improved—Tammie Torbert; 110%—Denise Torbert; Best Team Player—Paige Wagner; Best Hustler—Treassa Torbert; Most Valuable—Hazel Johnson; High Server—Cindy Bush—214; High Spiker—Hazel Johnson—160; High Setter—Katy Scott—313; High Passer—Paige Wagner—514; High Blocker—Denise Torbert—47.

The volleyball team improved progressively throughout the season. Their best offensive game was against Metamora at the Delavan Tournament with a total of 34 spikes.

## Golfers Post 12-10

The 1980 Golf team posted a 12-10 record; this was the first .500 season in several years. Mike Mandrell was the team captain and the most valuable golfer. Tom Lamkin had the second lowest total, followed by Randy Woolridge, Rod Woolridge, Ken Sumner, and Alex Calvert. The major highlight of the season was a school record of 152 against Monticello.

Back row: Pat McKinley, John Hickman, Kent Robinson, Doug Sturgeon, Mike Mandrell, Coach Gramkow. Front row: David Cisco, Don Billingsley, Bobby Davis, Darrell Hamblen, Tom Kreuser, Tom Lamkin, Tom DiMartino.

## Seniors give Clinton a winning season

The 1980-81 varsity basketball season brought the spirit of Clinton back to life with a winning record of 14-12. This year marks the first back-to-back winning seasons since the three-year winning streak of 1959-61. The leading scorer for the Maroons was Don Billingsley, who was also voted *Most Valuable Player*. Don was also the *leading assist man* with over three assists per game. Doug Sturgeon received a *Free Throw trophy* and a *plaque* and was the fourth best player on the team. Darrell Hamblen was voted *Most Improved Player* this year. He possesses a great determination and revealed his good attitude at each game. Tom Lamkin was voted *Best Defensive Player*, which made him a very valuable member of the team. The other seniors who contributed their talents to the team were Pat McKinley, Mike Mandrell, and John Hickman. The juniors who offered their developing skills to the varsity team were David Cisco, Bobby Davis, Tom DiMartino, Tom Kreuser, and Kent Robinson.

Don Billingsley received his first varsity letter and a "C." He was picked unanimously by the conference coaches as a first team choice. Don averaged 16.4 points a game. He was the team's leading scorer.

*Tom Lamkin received his second varsity letter. He was the leading FG shooter at 54% and averaged 12.0 points per game. Tom was the captain this year. He was voted best defensive player and the team's hardest worker.*

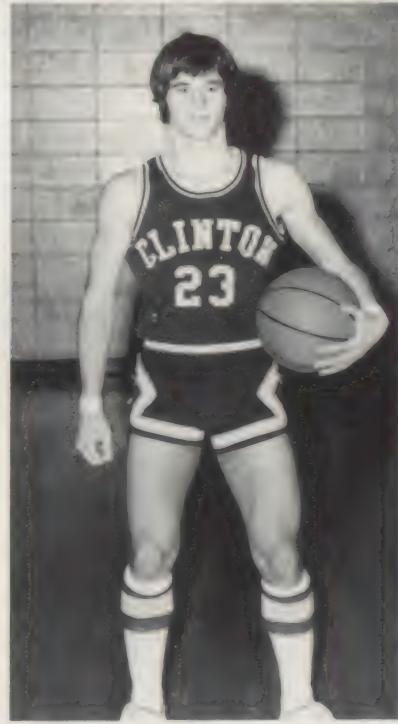

*Darrell Hamblen received his second varsity letter. Although he played in much pain all year, he averaged 12.9 points and led the team with 10.6 rebounds per game. He shot 5 from the field. Darrell was voted MIP.*

*Doug Sturgeon received his second varsity letter and a metal insert. He shot 50% from the field and was the leading freethrow shooter at 72%. He averaged 11.0 points per game.*

*Mike Mandrell received his first varsity letter and a metal insert. Mike added his quickness and jumping ability to the team. He suffered a sprained ankle but always played well and was a benefit to the team.*

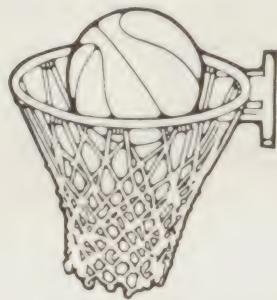

*Pat McKinley received his first varsity letter this year. He assisted in the win against Gibson City with a key basket. Pat had confidence in himself and was a good hustler on the floor.*

*John Hickman received his first varsity letter and metal insert. John was a good all-around player. He shot 48% from the field and played good defense. He had a good attitude and was a winner as a player and a person.*

Doug takes note of John's form.

Back Row: Sandy Hoffman, Denise Torbert, Pam Fry. Sitting: Katy Scott.

## Sophomores have some close ones

Back row: Joe Daugherty, Alan Billingsley, Ted Rhodes, Mr. Blessing. Front row: Von Bandy, Steve Perring, Tony Brennan, David Billingsley, and Chad Hoke.

Although the sophomores finished 0-20, they had many close games (five games with a six or less point difference). The Olympia and Argenta games resulted in overtime.

Leading scorer was Alan Billingsley with a 10 point per game average. Second was Von Bandy. Joe Daugherty led in field goals with 44%, followed by Von Bandy with 43%. Free throw honors go to Ted Rhodes with 59%.

Individual skills in ball handling, passing and free throws improved considerably during the season.

## Guardian Angels receive strange rewards

Freshman cheerleaders—Front row: Stevi Boyum, Dawn Steward, Kari Cummings, and Mrs. Rieger. Row 2: Karol Thomas. Row 3: Debbie Armstrong.

Adding to the excitement of the Clinton High School basketball and football games were the twenty freshmen, J.V., and varsity cheerleaders. Locker decorations, a victory dance, pep assemblies, run-throughs, and moneymaking projects were some of the activities the cheerleaders participated in and planned this year.

The girls worked hard to promote school spirit. They tried spirit ideas such as a slogan day where everyone went around saying "Squash the Hornets." They also were guardian angels for a week which ended in a good "pie-in-the-face-fight"; they prepared breakfasts and pizza parties for the ball players and coaches.

Besides supporting the high school's football and basketball teams, the cheerleaders showed their talents at camps during the summer. Each squad did very well and received many ribbons. The varsity squad also won a first place plaque at their camp for the quality of their cheers and the enthusiasm they displayed throughout the week.

The high school cheerleaders put in many hours of work to create a winning atmosphere, and they enjoyed every minute of it.

## "Life in the Fast Lane"

The Clinton "M" Squad captains are Debbie Bostwick, Londa Clark, Pam Fry, and Sandy Hoffman. This year 16 girls went to Half-Time USA camp. They won Best Overall Squad for the third year in a row; the girls also came back with 31 first place ribbons. Pam Fry and Cindy Lord were both runners-up for Miss Half-Time USA. Last year this title was held by Londa Clark, this year's captain.

The "M" Squad has participated in several activities this year. They performed at Millikin University (three routines at half-time), the Wapella Corn and Bean Festival, and marched in a number of parades: the Labor Day Parade, Homecoming Parade, DeWitt Labor Day Parade, and the Clinton and Farmer City Christmas Parades.

During the football and basketball seasons the "M" Squad performed at all half-times.

Brenda Ely inducts Cindy Bush.

The spring induction of the new National Honor Society members was held on May 10, 1981. At this time, fourteen juniors and seniors were rewarded for their scholastic accomplishments and school and community activities. After the induction ceremony, all of the members went to the Lincoln Depot for lunch.

## Student Council

This year's Student Council began with a big "bash," the first annual "Clinton Car Bash." The car bash teamed together with the snake dance, bon fire, powder-puff game, parade, and the dance "Autum Love" to make Homecoming '80 a huge success.

With homecoming under its belt, Student Council moved on to Christmas. During December the Council sponsored the hall decorating contest and the traditional holiday dance, "Christmas Dreams."

Following Christmas break, Student Council members sold Spirit Hands to help boost Maroon fans' spirits.

Throughout the entire year Student Council accommodated people of the community with "Visitors Day" and satisfied the students' early morning hunger with their frequent doughnut sales.

Scott Hopkins—Treasurer, Suzie Hermling—Parliamentarian, Debi Riegel—Secretary, Don Nixon—Vice-President, Kent Volker—President (standing).

## Maria Escobar

Since I came from an all girls' school where classes run from 7 a.m. to 1:30 p.m., the whole set-up of Clinton High School has been a novel experience for me.

Of course that first day was mind-boggling—everyone was busy around me, but I did not know where to go or what subjects to take.

As the year passed, certain things stand out in my mind. Homecoming events were all new for me, but especially, I remember getting to ride in a convertible in the parade while the crowd cheered and applauded.

I have also especially enjoyed the plays the school has produced. *Miracle Worker* was so good; I am excited that I will be in the next production.

The spirit of the school is impressive when we play Central Catholic. I enjoy the basketball games best for we do not have football in our country and so, I do not understand the game.

The Sweetheart Dance was also an exciting time; I especially remember almost not getting ready in time to go.

## Youth for understanding

## Merja Ingberg

When I came here the third of August and saw the United States the first time, I didn't know what to say. I met my new parents and all the people who I will work with through this year. It was all so confusing, I met new people all the time and my mind was so mixed up. After a couple weeks everything settled down, and I felt more at home.

Then I started the school. First couple of days were really hard, and I was sure I wouldn't be able to get through this year at CHS. But the students helped me. They told me where to go, and also taught me the rules of the school. I started to enjoy the school thanks to the students of CCHS.

I'll always remember this year as a lot of fun (like Homecoming and Sweetheart time) and just a little bit of upsets. I would like to thank all the students in this school because you made my sophomore year a success.

## VICA reveals basics

Provide leadership training  
 Provide extra vocational preparation  
 Provide additional social contact  
 Promote craftsmanship  
 Promote vocational education

In 1980-81 the club raised money by selling peanuts. Enough money was raised to send four students to the state convention.

They also participated in a tour at the power plant. This year the theme of the club is Energy, and this tour provided us with valuable first-hand information. VICA will be participating in both skills and leadership contests at the Illinois VICA Skills Olympics. This two-day convention will be held in Springfield at the Prairie Capital Convention Center on April 30th through May 2nd.

Last year Brian Tedrick (this year's president) finished 4th in the state in the Electrical Wiring Contest.

We will finish our year by participating in the school's Spring Carnival.

# Thespians hit the road . . .

Thespian Troupe No. 3151 began its activities in the summer by attending the International Thespian Conference in Muncie, Indiana. The troupe produces a minimum of two full-length productions each year and this year sponsored an all-school talent show, produced an evening of student directed one-act plays, took two Chicago theater trips and conducted a playwriting contest. The group was pleased to present *The Miracle Worker* at the state conference in January. A major project for this year was formation of the Mime Troupe, organized by Ann Clewett and Pam Wood (pictured at right).

# FHA

The Clinton FHA Chapter is proud of its sizeable club. The members are an involved group, participating in many activities throughout the year. The fund raising projects ranged from selling treasure chest items to holding a 24 hour rock-a-thon (that is "rock" as in rocking chair). Other projects throughout the year included a cookout and initiation of members, the annual FHA Alumni Homecoming Breakfast and fashion show (with clothing and fabrics contributed by local merchants and modeled by club members), a mini float in the Homecoming parade, the Sweetheart Dance (our biggest project), and our final project, a pizza snack booth at the NHS Spring fling. FHA also participated at the State and Section levels of the Future Homemakers of America. They attended officer workshops at the section levels. At the Section rally they were presented with a certificate recognizing a contribution made by section 4C to the FHA—HERO Foundation in memory of Lois Hieronymus, the long time sponsor of the Clinton FHA Chapter.

In April they attended the State Leadership Conference; Diann Hawes and Michelle Juliuson entered in two of the various skill shops offered.

FHA is celebrating its 35th birthday this year, and members of the Clinton FHA Chapter are proud to be a part of this fine youth organization.

## FFA

Highlights of the year for the Clinton FFA Chapter included a trip to Kansas City for the officers, where the Chapter was awarded a silver emblem for Building Our American Communities activities, and the Chapter Banquet for parents, friends, and members. Other activities included soil judging, parliamentary procedure, public speaking, demonstrations, livestock and dairy judging, mechanics competition, and the farm management contest.

As a result of Bart Miller's serving as Section 16 president and Diane Harpenau's fulfilling the duties of Section vice-president, Clinton hosted the section leadership school. State Senator John Maitland was guest speaker.

Tom Rogers, past chapter president and state vice-president, was awarded the American Farmer degree. Tom is only the second member of the Clinton chapter to receive this award.

The Agriculture Supply and Service class, with the help of Mr. Adams, constructed a still and began alcohol fuel production on a small scale.

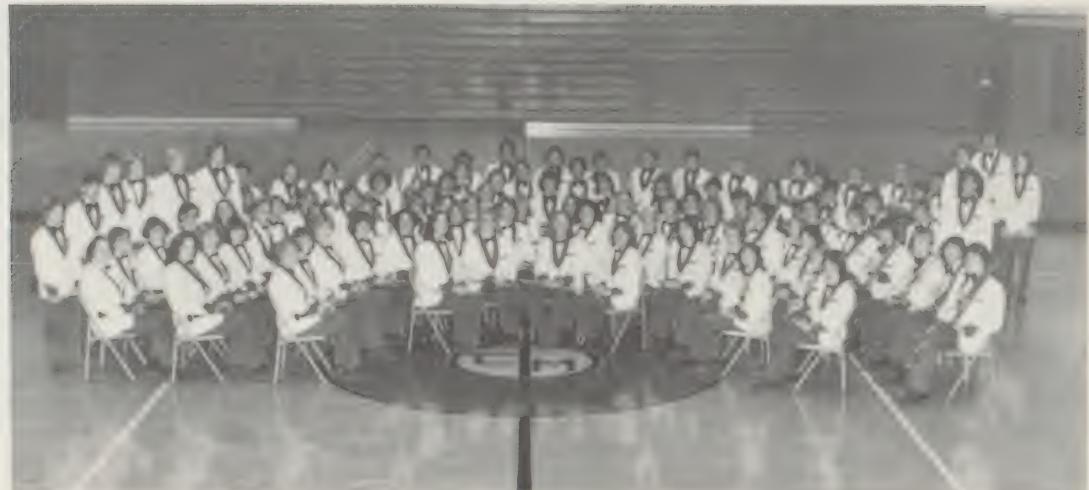

A "Welcome" marker west of the parking lot has been started as a memorial to Stan Moore; and corn is planned for the Chapter plot, under the direction of Chad Hoke, plot manager.

Trips to Chicago and Six Flags, livestock and grain shows, basketball, record book competition, State Farmer degrees, state convention, farm animal zoo, and other activities have made this a busy year with many opportunities for the members.

## Librarians sell school supplies

Local officers are Tim Nichols, president; Janice Martin, vice president; Barbara Bradshaw, secretary; and Lori Woodward, treasurer.

Clinton High School's Library Club members work hard and do lots of different tasks in order to help students and teachers as they study and read for pleasure. The student assistants check out books, magazines, and vertical file materials, and then check the materials in when they are returned. This year students have been especially valuable in helping to shift the collection so that the shelves are more balanced, helped to prepare new book displays, and checked in new magazines. Selling school supplies has been both a money-raising project and a service to students this year.

Students enjoyed a Christmas party and plan to attend the Spring District meeting. Janice Martin is District President for the 1980-81 school year.

Ill. Student Art Association "Rembrandt Society" State Officers—Carrie Coon—Vice-President; John Williams—Public Relations. Clinton Vice-President, Pam Wood. Clinton President, Teri Brannon.

## Art Club gets involved

The Clinton High School Art Club has been involved in many activities throughout the year. The year began with the Apple and Pork Festival in September. The Art Club sold hand printed tote bags and t-shirts with a choice of three different festival designs.

A Rembrandt Society meeting was held at Illinois State University on October 4. A guest artist gave a demonstration on clay sculpture, and all regional and local students and teachers made

similar sculptures.

During October the Art Club was involved in the Homecoming parade. They had a walking float consisting of replicas of famous paintings which they changed somewhat so that the Homecoming theme was noticeable. The Art Club received first place in the small float competition.

In December the Art Club and several other

art students traveled to Raymond, Illinois where they participated in the annual "Art Affair." Clinton students returned home with 18 awards.

During Christmas vacation several club members began painting a mural in the cafeteria at the DeWitt County Nursing Home in Hallsville. Another mural is planned for the nursing home livingroom. This one will be done during the first two weeks in June.

In January two Art Club members, John Williams and Carrie Coon, met with Gov. Thompson to discuss Youth Art Month and State support. John and Carrie are both officers of the Rembrandt Society.

In February the Art Club participated in an invitational art exhibition held at Ill. Wesleyan University in Bloomington. During this same month Art Club sponsored an Art Teachers Mini Conference at our school. About 65 teachers from the state attended. Prof. Shozo Sato, artist in residence from the Univ. of Ill. was the guest artist. Also during this month John Williams put out the State Newsletter for Rembrandt Society.

## March is Youth Art Month

March was a busy month for the Art Club. Not only was it Youth Art Month, but it was also the month when the club held their second annual *Liaison de l'Art*. The Art show and contest was held on March 14. About 200 students from 20 high schools attended and participated in the workshops. Also in March, members attended the New Berlin Art Show and won eleven ribbons.

Hardees and the DeWitt County Building Home and Loan donated a billboard for Youth Art Month.

During May Clinton Art Students participated in an Art Exhibit at Richland Community College. The Fine Arts Center Show and contest was also during May.

Art Club is planning a mural for the swimming area at the YMCA. They are also having a special showcase built to put in the comm  $\frac{1}{2}$  to display art work.

The Clinton High Art Club has been very busy this past year, and members have several ideas already in store for the upcoming year.

*Jeff VanValley, Laura Finley, and Roxanne Sobolewski show their award winning work from the New Berlin Art Show.*

The Super Secretaries' Club was newly formed this year. Its purpose is to encourage interest in the rapidly developing clerical field with emphasis in attitudes, grooming, and new techniques developing in the field. Moneymaking projects included typing programs for the Retired Teachers Association.

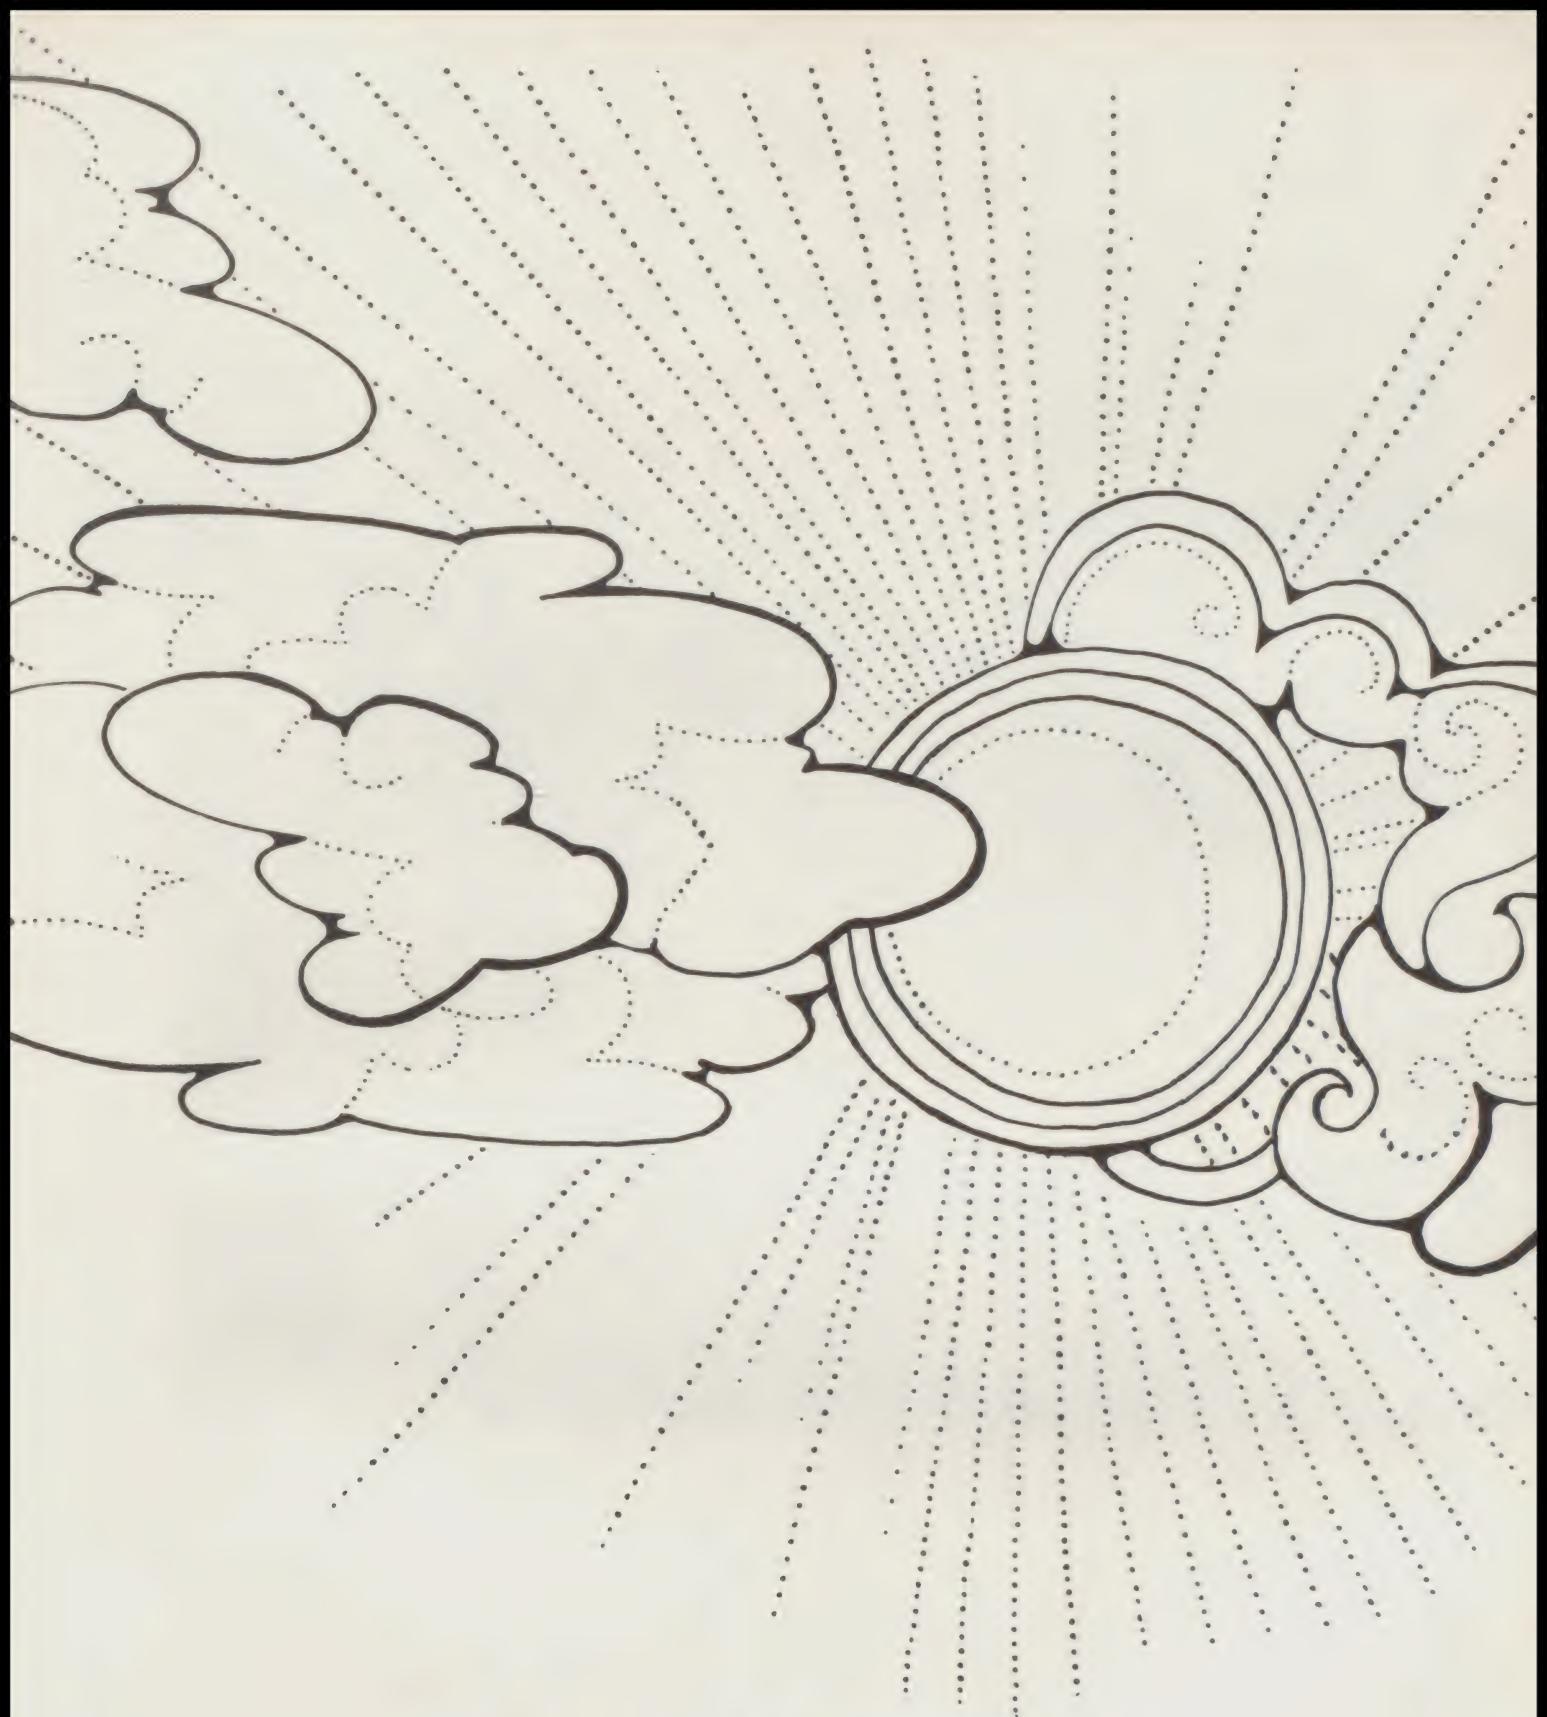

Officers: Katy Scott, treasurer; Genita Followell, vice-president; Denise Torbert, secretary; Beth Fay, social chairman; Stacy Ritchie, president.

# ADMINISTRATION & FACULTY

## The board makes changes

*Back Row—Ron Bandy, Steve Tuggle, Laura Adcock, Jack Eikenberg Front Row—Robert Keelin, Gary Archey, Steven Davenport, Walker Evans*

The District Board of Education/Administration recently accomplished several items dealing with the improvement of the Clinton school district. This year the Board completed the interior building modifications for the high school and changed from modular scheduling back to the traditional scheduling system. They also upgraded the district school bus fleet and communication system, and expanded the special education, remedial reading, vocational, health, library, art, and music programs.

MR. STITES, the district business manager, is delegated responsibilities by the superintendent in the areas related to the conduct of school business affairs. Some of his duties include preparing monthly financial reports, payroll, purchasing, student activity funds, lunch programs, and budget preparations and control.

## Unit Office employees lead busy lives

Back row: Linda Robinson and Sharon Miller. Front row: Vi Green, Sue Hayes, and Peggy Newman.

Peggy Newman is secretary to Mr. Archey. Some of her duties include preparing state board of education reports, board of education agenda, minutes and materials. She also calls the substitutes, prepares reports, and maintains personnel files. Mrs. Newman has been employed by the Clinton schools for eleven years.

Linda Robinson is the superintendent's office receptionist and secretary. Some of her duties include making appointments for Mr. Archey, maintaining student records, preparing and distributing district forms and supplies, setting up committee meetings, and preparing and disseminating the unit's weekly calendar of events. She has been employed for five years in the Clinton schools.

Vi Green has been secretary to Mr. Stites since April of 1977; she has worked in the unit, however, since 1965. Mrs. Green acts as receptionist in the business office. She distributes and opens the mail, orders supplies, and types the budget, reports, correspondence, and memos for the business manager. She also types cafeteria and transportation reports

for the monthly board meetings and types and sends out the weekly menus.

Sue Hayes has been employed as accounts payable clerk in the business manager's office since 1977. Her job entails checking all of the invoices received and matching up a purchase order for correctness, and sending acknowledgment receipts to the person who placed the order. Upon return of the acknowledgments, bills are prepared for payment. Mrs. Hayes does all the filing of paid bills and closed purchase orders and also reconciles the bank statements at the end of each month.

Sharon Miller has been bookkeeper for the unit since April, 1977. Her work is under the direction of the business manager and entails running an L 5000 computer-type bookkeeping machine for all of the record keeping and check writing for the unit. In addition, Mrs. Miller prepares all the financial reports for the monthly school board meetings and the teacher retirement report at the end of the school year.

# In Memoriam

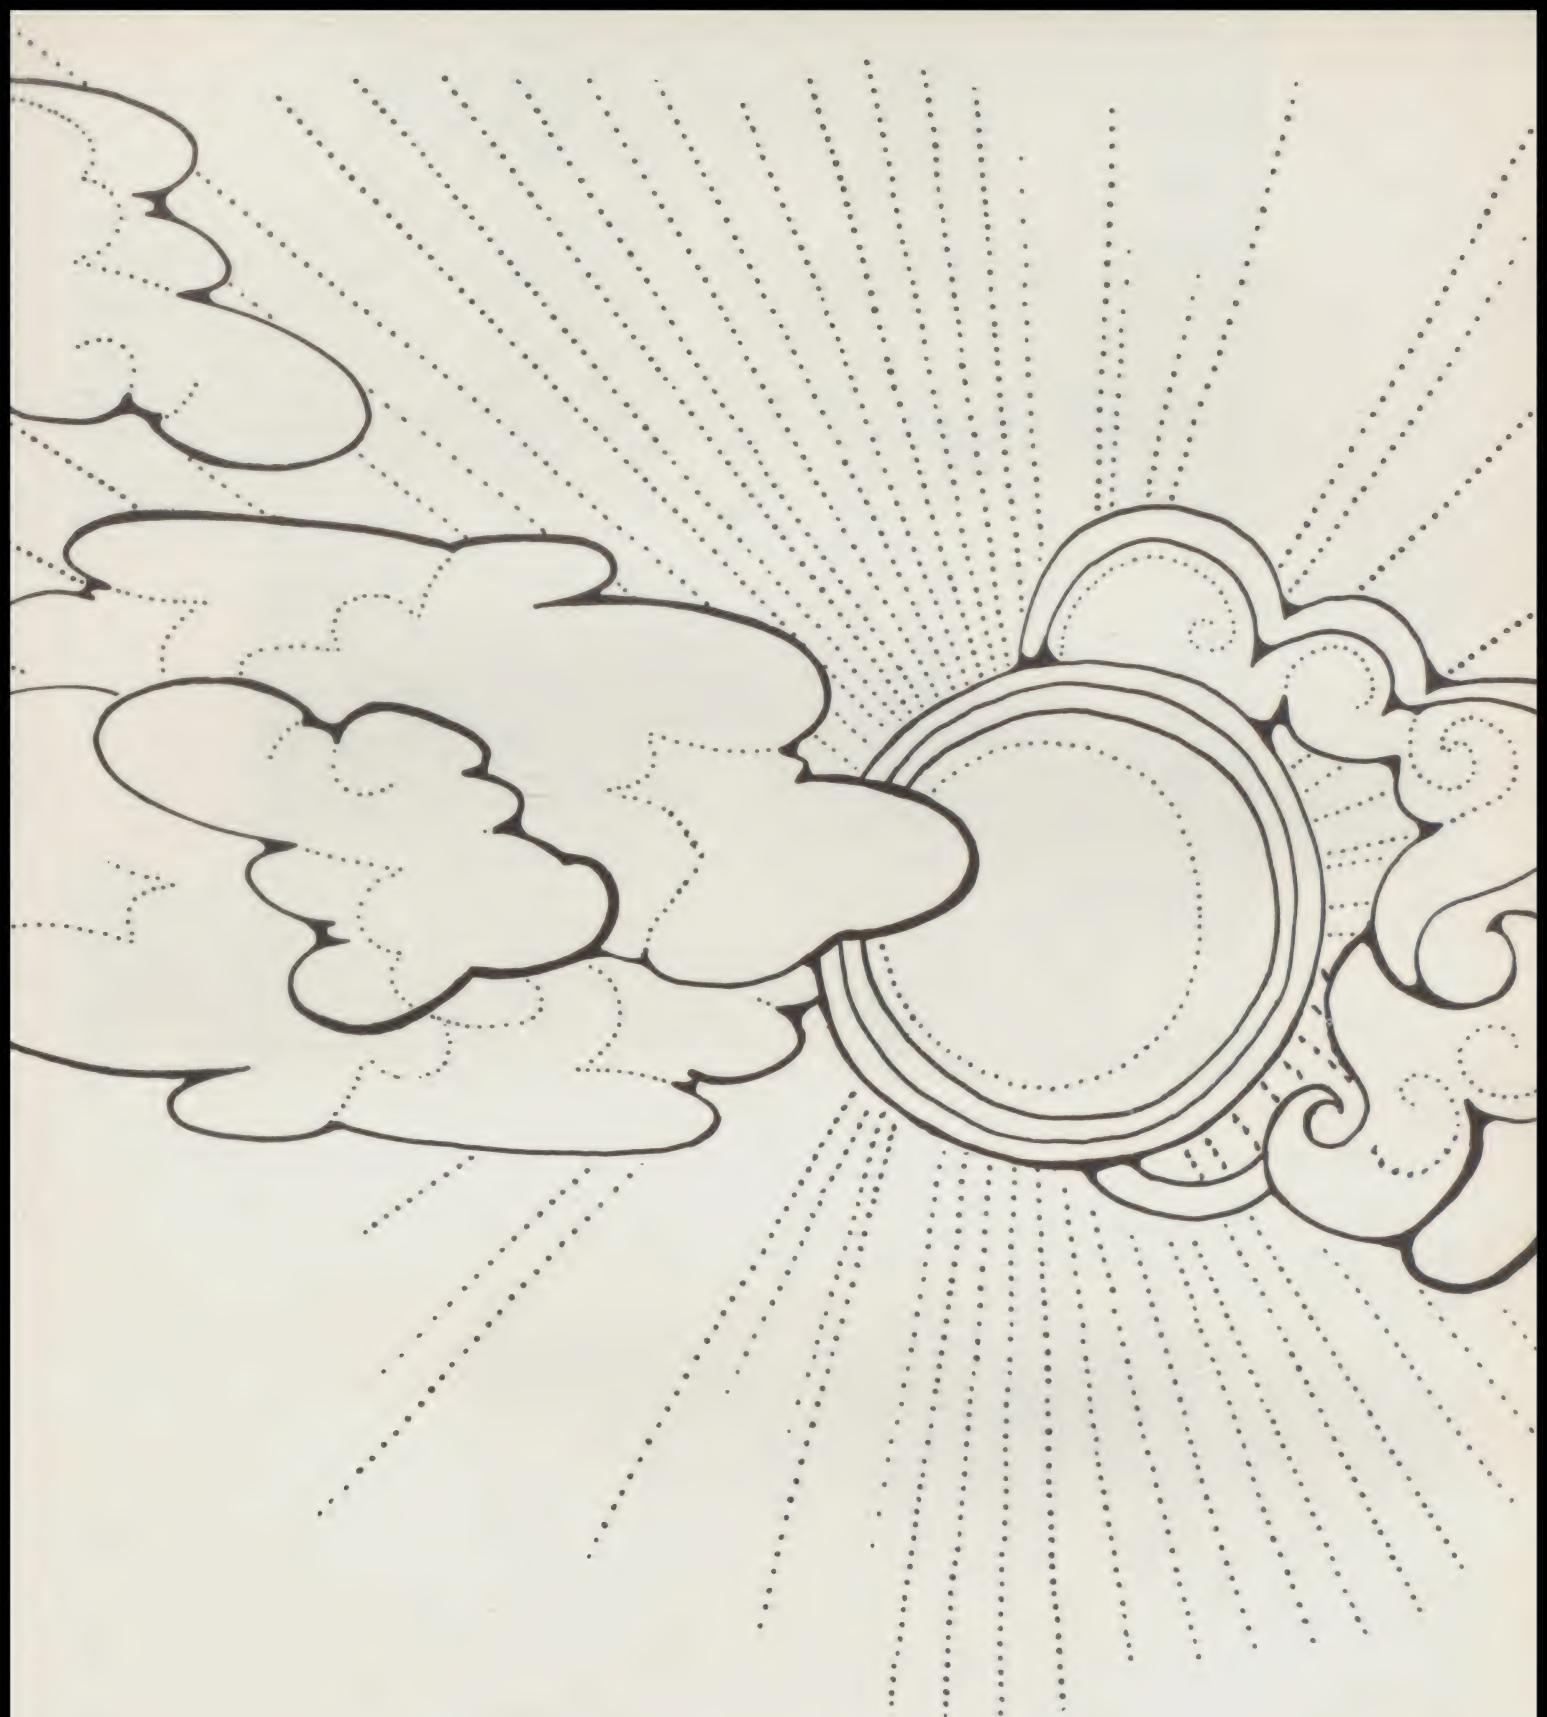

*Patrick J. Risoli  
April 24, 1917—September 6, 1980*

Patrick J. Risoli was born in Blue Island, Illinois, on April 24, 1917.

For a period of time he had his own orchestra in Chicago. A veteran of World War II, Pat moved to Bloomington, Illinois, and found employment with Steak 'n Shake. He worked there for twenty-three years.

In September of 1975, he moved to Clinton. On March 28, 1977, he went to work at Clinton High School as a custodian. Pat soon endeared himself to students and staff alike. It was indeed a loss when this gentle man was taken from our midst.

## Oh, no! Not that stationery again!!

The freshmen have busied themselves with the usual activities this year. After all, just getting used to high school is a big enough challenge in itself. For a money making project, the freshmen sold, sold, and resold stationery. Some people bought a three-year supply just to get it off the freshmen's hands. What do you bet they sell a different product next year!!

**SENIORS**

In dedicating the 1980-81 edition of the *Clintonia*, we have chosen a man with many fine qualities. Among these qualities are the patience and understanding to see someone through a problem at home or at school, the ideas for improving the quality of education, both academically and socially, the good judgment to know when his help is needed and when it is not, and the development of students' hopes for their future.

For the past six years he has been the sponsor of Student Council, and for two years he was the coach of the X-Country team. During his free time he enjoys participating in the Y-Players, singing, and running. He has worked with Mrs. Glasson to form a new night-time family counseling group. His hard work and efforts have kept many young people from dropping out of school at an early age.

The yearbook staff and the Class of 1981 are proud and honored to dedicate the 1980-81 *Clintonia* to Stuart L. Coon.

"Where do you hide to have your Snickers?"

"Dig those Calvin Kleins!"

"But I don't want to be put on hold!"

# Seniors recall . . .

As the Seniors neared graduation, they began to think back on their preceding years and remember the events that had taken place during their four years at Clinton High School.

Upon entering high school, the class of '81 found no military police patrolling the halls, but that was soon to change. There was modular scheduling, senior benches, free time, rafter races, and Starsky and Hutch impersonations, the latter of which prompted the guards to move into action.

1978 was entered into with high hopes. The new seniors guarded their bench as faithfully as the classes that had come before them. They entertained us with their own version of "The Gong Show." Class Night was held and produced the memorable hit, "The Twelve Years of School."

Shouts and arguments were heard throughout the halls when school reopened in 1979. This cry was heard regularly, "Where are the benches?"

The last year came and went quickly. There were *no* benches and there *were* hall monitors. The 1980-81 year will be remembered because it was the year Clinton finally beat Central Catholic in basketball.

Looking back, seniors remember the three classes they've seen come and the three classes they've seen go. They will always remember the people they've loved and those they've lost and these people will live in their hearts forever.

# HOLE IN THE

In 1977 a crime spree spanning almost half a decade began at Clinton Community High School. The criminals involved in this reign of terror brought many changes in the school system. Within two years, they succeeded in obtaining the resignation of the principal. Because of the gang's insurrection, the new administration was forced to call for stronger rules and regulations; therefore, they became the judges, jury, and executioners. The following is an account of the atrocities committed by the "Hole in The Hall Gang."

"Birdwoman"

AMY "BIRDWOMAN OF ALCATRAZ"—leader of the infamous "Hole In The Hall Gang," considered the "Brains" of the operation, captured in 1981. Presently serving a life sentence in Pontiac State Correctional Center.

"BABY FACE" KOONS—Convicted of homeroom tardiness in 1980. Now serving a 30-year detention sentence in Clinton High School Correctional Center.

"Baby Face"

"LOONEY" LOU—Disappeared in January of 1981. Believed to be living somewhere in Texas.

"Looney"

"Bouncin' Baby"

"BOUNCIN' BABY" BENZ—Nicknamed for her ability to bounce in and out of P.E. class 3 times a week for disobeying a sergeant. Now living in Southwest Prison.

"Babblin'"

"BABBLIN'" BRAY—After being named the informant in the "accidental" leak of information trials, Bray served a short time as a CIA agent. Now tied up and gagged in the DeWitt County Jail.

# HALL GANG

*"Krazy"*

**"KRAZY" KAREN**—Brought up on charges of assault & battery pressed by "Honest" Al Austin. Sentenced to a three year sentence of continual push-ups at the Cracker Box Institution for the Criminally Insane.

*"Pick-It"*

**"PICK-IT" PAULA**—The woman responsible for picking locks on all doors, windows, and lockers. Since her day of arrest, Paula has been in 34 prisons. Present whereabouts: UNKNOWN.

**"METAL MOUTH" MORRIS**—Disappeared from society in August of 1980.

*"Metal Mouth" Morris*

**"MA" BELL**—Believed to be the person responsible for breaking the pay phones at regular intervals. "MA" is presently setting up new residence at Wakefield Prison.

*"Ma"*

*"Spince"*

**"SPINCE"**—She made the plans, but she paid the price. The plans were always brilliant, till the day she made one small error; she left a wad of paper with her name on it lying in the hall. "Spince" is presently serving time in the Lincoln Home for the Criminally Insane.

*"Madman"*

**"MADMAN" MIKEY MANSION**—The only man in the gang and the only squealer. "Madman" blew the horn on all the gang after their last caper failed and they were apprehended. He was given a new identity and plastic surgery after he agreed to turn states evidence. It is believed by many of his friends that the "Madman" is working as a hall monitor somewhere in Clinton High.

*Class Clowns: Tad Wolfe and Paula Mason*

## You know you're a senior when . . .

- you don't fall for Mr. Lehman's tricks.
- it doesn't take you a half hour to get the gym doors open.
- you can go to the library at 12:10 and not get called to the office the next morning.
- you laugh at the word "freshman."
- you aren't selling anything.
- you don't do your homework—but then again, you really don't care.
- you finally have your teachers trained.
- your homeroom teacher finally learns your name.
- you cheat on physical fitness and you're *proud* of it.
- you don't have to worry about finding a table at lunch.
- it takes you less than a minute to get through the lunch line.
- you don't do your homework, but it somehow gets done.
- you can make four pieces of paper last the entire year.
- you finally realize you can't make any sense out of what "Doc" says.
- being kicked out of the library means another point in your favor.
- you start to give an excuse, and the teacher finishes it for you.
- only your hands get wet when you step on the sink.
- you never make a mistake (sometimes you think you do, but you're wrong).
- you start writing "you know you're a senior whens . . ."
